The July Sale of Muslin Underwear

BEGINS WEDNESDAY JULY FIFTH

THE ECONOMIST'S Muslin Underwear Sales are of a character so distinctly removed from the common as to attract instant and enthusiastic response on the part of all prudent buyers to whom the message of the interesting event comes.

MONTHS of most careful and thorough preparation provide not only the very choicest procurable examples of dainty, fascinating art in these lines, but a quality of materials and thoroughness in making which can be—and is—fully endorsed with this store's good name.

THERE is much saving in price because these events are planned for enlivening the business of a proverbially dull month, and profits are eliminated to a degree certain to attract quick response. In short, this sale means reliable undermuslins at the smallest prices.
